2008 GUIDELINES

The following guidelines will help us ensure that all guests have a safe and relaxing visit.

SPEED

Our speed limit is VERY SLOW (5-10 km/hr at all times). We have lots of children around and dust can be a real problem during hot periods.

ATVs, Motorcycles (off road) or Mini Bikes are not to be driven through the campground.

QUIET TIME

Quiet hours are from 11:00 pm to 7:00 am. Outside music or loud inside music is not permitted after 11:00 pm. The gates will be locked from 11:00 pm to 7:00 am. If you arrive after the gates have been locked you may park out front but please Do Not Park in Front of Either Gate.

FIRE WORKS ARE NOT ALLOWED AT ANY TIME

WASTE

Garbage disposal became a big problem at times last season. The bins we provide are for everyday household trash only and all garbage must be in plastic bags. Cardboard and paper, bottles and cans, returnable bottles, bulky waste and brush/leaves/tree branches are NOT household trash. Please take these items to the appropriate local Refuse Station. Cardboard and Paper Recycling bins are located at the Fairmont Transfer Station. Please use them. If you don't have an appropriate vehicle to transport these items we can help you. To avoid attracting bears please do not discard or burn garbage in the fire-pits. Keeping BBQs clean will also help discourage unwelcome wildlife.

VISITORS AND GUESTS

All visitors must check in at the Office before proceeding to your site. All visitor vehicles must be outside the gate before 11:00 pm. If you wish to allow someone else to use your Trailer/RV when you are not here, you must advise us prior to their arrival. Please ensure your visitors are familiar with our guidelines.

TENTING

One tent will be permitted to be put up on RV sites at a rate of \$10.00 per night. If you need additional tents you may book a tenting site at the Office.

FURRY FRIENDS

Pets are welcome but must be leashed and attended while outdoors. Noisy or unruly pets are not allowed. Please remember to pick up after your pet.

USE OF YOUR LOT

If you wish to do any construction to your site, management must give approval before construction begins. Please do not cut down any trees unless proper permission is given. Please keep your site debris and junk free.

CAMPFIRES

Campfires are permitted only in designated fire-pits. Please do not leave your fire unattended.

WATERING SCHEDULE

The lawn watering schedule will be Monday, Wednesday and Friday from 11:00am to 7:00pm and also Saturday from 3:00pm to 6:00pm. Some watering restrictions may occur if Mother Nature is feeling mischievous this season. If you need to wash cars or recreational vehicles please take them to the commercial car wash in Fairmont.
